THE KENNEDY'S WHIPPING BOY...

Condemnation of the so-called "Freedom Riders" is heard from all sections of the country—not just the South alone.

Their efforts to stir up trouble has served one good purpose. It has shown that efforts at integration by violence comes from just one single segment of the population—not the North as a whole.

From the New England state of New Hampshire comes a comment, found in the Manchester Union Leader. "The Kennedy brothers are apparently determined to get as much political mileage as possible out of racial discord in this country," says this rock-ribbed New Hampshire newspaper. "The South, with its huge Negro population, has problems which no Northerner, unless he has lived in the South, can understand or appreciate."

"But a section of the Democratic Party in the North has discovered what it thinks is a sure-fire method of assuring control of the Negro vote in New York, Philadelphia, Chicago and other Northern cities. This formula consists of making a whipping boy out of the white people in the South for the benefit of the Negroes in those states."

"As this newspaper said earlier, the old frontier had its Calamity Jane and the new frontier most assuredly has its Calamity Jack."

Then the Syracuse, N. Y., Herald-American, commented: "In 20 years the average wage of Negroes in the U. S. has gone from \$630 to \$3,368 annually. This compares with \$2,234 in Great Britain and less in West Germany and France for all workers."

"The 19 million Negroes in the U. S. have an estimated annual income of \$20 billion, or more than all the 300 million Negroes in the rest of the world put together. They own 4.5 million automobiles, or one for every five members of the race against one for 350 persons in the Soviet Union."

"There is one thing for these gentlemen to remember—the United States has a white population of some 160,000,000 citizens. These citizens have rights, too. They pay 98 per cent of the taxes, they build the great bulk of schools and colleges, hospitals, roads, factories. This is not Africa and the whites cannot be pushed out."

Remember, that came from one of the largest newspapers in New York state.

Columbia TV has repeatedly shown scenes of racial segregation in various parts of the North. When the trouble at Montgomery was at its height, Columbia TV turned the spotlight on Chicago which it called the most segregated city in the United States.

Efforts of the Kennedy brothers to make political capital by using the South as a whipping boy has had one good effect.

It has shown we have friends in high place whom we previously didn't know we had.

21 YEARS AGO— FROM OUR EARLY FILES...

Mrs. Price Ringo was a gracious hostess in her home in West Elba when she entertained the members of her bridge club at a delightful party. The hostess, assisted by Mrs. Rose Clark, served a delightful salad plate to the following guests: Mrs. Sam Rowe, Mrs. E. P. Gieger, Mrs. Rex Oggs, Mrs. Gordon Mathis, Mrs. Joe Morgan, Mrs. N. B. Creswell, Mrs. George Collier, Mrs. Rose Clark, Mrs. W. L. Walsh, Mrs. Jim Whitman, Mrs. William Ballard, Mrs. Joe Frank Prescott, Mrs. Enoch Johnson, of Rockford, Ill., and the hostess, Mrs. Ringo.

An alligator measuring six feet, five and one-half inches long and estimated to weigh about 125 pounds was captured alive on Whitewater by Ben Brunson of Elba. Mr. Brunson said the alligator was asleep on a sand bar as he slipped up and pounced on him, catching his front legs and holding the animal until help arrived.

The Ada Marley Circle of the Methodist Missionary Society met for a business meeting at the church with Mrs. W. R. Crook, vice-president, presiding in the absence of the president, Mrs. J. M. Rowe. Prayer was by Mrs. J. M. Garrett and Mrs. Corrie Bryant gave the devotional.

Members of Mrs. J. M. Rowe's class of the Methodist Sunday School enjoyed a delightful ice cream supper on the lawn of the parsonage. Miss Nellie Faye Smith directed games and Miss Jean Seibert, Miss Marguerite Edmondson and Miss Martha Edmondson served delicious home-made ice cream and cookies.

COFFEE COUNTY —SOIL NEWS—

By T. C. Self and Billy Taylor

Coffee County has many small farm ponds that have been constructed under the supervision of Soil Conservation personnel. Average ponds are 2-5 acres in size and require around 2000-2500 cubic yards of fill material in the dam. Asphalt coated pipe is normally placed under the dam. This pipe is designed especially for farm pond use. Six and eight inch pipe is kept in stock with in the county. Your SCS technician can supply full information.

"Small dams" is a term used to classify some earth-fill water retaining structures. Such a dam might cost from several hundred to several thousand dollars. The fields of hydrology, hydraulics, geotechnics, soil mechanics, agronomy, geology, structural design and construction have to be taken into consideration in varying degrees in small earth fill dams. These fields are integral parts of the broader field of soil and water conservation.

In carrying out its responsibilities, the Soil Conservation Service is called upon to assist with planning, designing and installing small dams. In the Southeast, the Service considers proposed impoundments as generally falling into six different classes. A stock pond would quite often be a Class I structure. A flood retardation or irrigation water storage dam might be class VI.

Factors related to the previously mentioned fields contribute to placing a dam in one of the six classes. As the class of dams increase, the need for more precise construction also increases.

A ten-foot high farm pond dam designed might be adequately presented by a field sketch based on a few level readings and hand sugar soil borings. This dam might be properly constructed with a bulldozer. In this case compacted soil placement, and foundation stability do not require close control.

On the other hand, a forty-foot high irrigation reservoir dam would require a complete set of construction drawings. Such drawings would require topographic data based on third order surveys. Data from detailed laboratory analyses of soil materials would be used.

Rainfall and runoff on a recurrence interval probability would be studied in detail. This dam might require modified pre-tor compaction. The moisture content of the fill would require close control. Zoned placement of borrow might be essential. Reinforced concrete appurtenances with very small construction would probably be required.

Farm Bureau Insurance
AUTO-FIRE-LIFE

ED DONALDSON
—PHONE FI 7-8451—
Elba, Alabama

bably require two or three self propelled scraper wagons, a pusher, two or more bulldozers, a dragline, a sheepfoot roller, and wheeled tractor, and related maintenance equipment.

During the late winter rains in 1961, the small dams in Alabama were taxed severely. No failures were reported on dams which were constructed to Soil Conservation specifications.

There appears to be an increasing interest on the part of individual landowners in the middle range of dam classes. As the small watershed program activities of the Soil Conservation Service gains impetus, the amount of work offered for contractors (bids by local organizations will increase. It is important that care be given to see that all dams are carefully designed and soundly constructed.

Brockton Sailor Is on Escort Destroyer

Hildrey H. Arnette, Shipfitter first class, USN, son of Mr. and Mrs. A. M. Richard of Rt. 2, New Brockton, is serving aboard the USS Robert A. Owens, escort destroyer of the anti-submarine force Task Group Bravo, operating out of Norfolk, Va.

The Owens, flagship of Destroyer Squadron 36, along with four other destroyers, is part of this squadron and the anti-submarine warfare support aircraft carrier USS Wasp make up Task Group Bravo, specializing in development of anti-submarine tactics.

The task group departed on June 8, from Norfolk, for an extended three-month midshipmen training cruise in the Mediterranean Sea as a unit of the Navy's powerful Sixth Fleet.

NEWS OF SOUTHWEST COFFEE COUNTY

BY MRS. TAYLOR WISE

AFTER - REHEARSAL PARTY IS HELD

The home of Mr. and Mrs. O. V. Rhoades on the Highway 10 Elba highway was the scene of a pretty after-rehearsal party for the John-Rhoades wedding party Saturday night, June 24.

Color tints of yellow and white with green was carried out in detail in the entertainment room. Three large tables and one small table was set up for the 28 guests.

The bride and groom table was overlaid with a handsome imported linen tablecloth. The center piece adorned the table with a tall silver candle holder, holding five yellow burning tapers flanked by a mass of white mums, yellow tulips, ferns, and many tiny miniature corsages of white mums, tiny sprays of fern and tied with dainty satin bows. The two other tables were identical to the bride and groom table. The small table for the ring bearer, flower girls and junior ushers were identical also except the centerpiece held only one yellow burning taper, an eye-catching arrangement of white mums, wisp of fern, yellow tulips and yellow satin ribbons was fastened on a door adjoining the entertainment rooms.

The dinner consisted of baked ham, salad, fresh butterbeans, peach pickles and home baked pound cake.

Miss Johns presented her attendants with gifts, pearls for the maid of honor and bridesmaids.

Mr. Rhoades gave tie racks to the ushers and cuff links to the candlelighters.

The bride-elect wore a tulle and white polka dot dress. The wedding was at the Curtis Baptist Church Sunday.

Bob Kennedy Tune Is Set To Music

Governor John Patterson's warning to Federal marshals during the recent "freedom ride" episode here has been set to music to the tune of the hill-billy favorite, "No Help Wanted."

The timely parody was written by Rebe Goodin of Montgomery, whose "Sunshine Valley Boys" have sung the tune several times on their daily television show.

The song lauds Gov. Patterson's stand and says he needs no help from outsiders.

A Typical Verse
"Then riders came her stirring up hate,

Arrived at the Capital, met their fate;
Law was there, soon quelled the resistance,
But Bob Kennedy was on long distance"
(Chorus)
"Do you need any help? (No help wanted)
I'll send you some help--(No help wanted)
If you need any help--If you need any help--
(We can handle this job all by ourselves.)"

YOU NEVER SAW THIS NEWSPAPER

Thrown into the gutter or a waste basket before it was read, did you? But waste baskets and gutters are constantly being filled with unopened, expensive direct advertising, sales ammunition shot into the air.

A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from "kiver to kiver". Then it is borrowed by the neighbors.

That's why intelligent, attractive newspaper advertising is accepted as the most effective form of advertising your business.

An advertisement in this paper will reach over 75 per cent of the buyers in the local trade territory. We do the mailing and pay the postage.

Engagement Announced

MISS CALLIE SUE MCINTOSH

Mr. and Mrs. Leon McIntosh of New Brockton, announce the engagement and forthcoming marriage of their daughter, Callie Sue, to Doyce Don Jones, son of Mr. and Mrs. Johnnie Jones of Goodman.

The bride-elect is the grand daughter of the late Mr. and Mrs. A. N. McIntosh of New Brockton, and Mrs. G. C. Mallory and the late Mr. Mallory of Elba. She is a graduate of New Brockton high school and has attended Alabama College at Montevallo, where she will continue her education as a junior in the fall.

Pre-Nuptial Events Held in Troy And Elba Home

Miss Susan Murphree's bridesmaids luncheon was a beautiful occasion at Grimes' Restaurant in Troy Sunday, June 18. Mrs. Walter Whitman Jr., Aunt of the bride, was hostess. The luncheon table was centered with a flower arrangement in white purple and orchids.

Guests were: Miss Murphree, Mrs. Paul Davis, Mrs. Pritchard, Mrs. Stanley Clark, Mrs. Wesley Palmer, Mrs. Frank Rainer Jr., Nancy Rainer, Mrs. Lamar Woodham, Sara Woodham, Mrs. Joel Murphree, Sandra Farris, Kathy Davis, Candice Covington, Beverly Whitman, Janet Warr and Mrs. Boyd Murphree.

Miss Susan Murphree presented gifts to her attendants. The groomsmen's luncheon was given at the home of Mrs. Duke Tatum Sr. Other hostesses were Mrs. J. V. Wright, Mrs. C. D. Rowe and Mrs. Duke Tatum, Jr.

The living and dining rooms

were decorated with flowers in tones of purple and lilac. Small tables were set up where the guests were seated after being served the delicious menu buffet style.

The wedding will take place August 6 at 4 p.m. in the First Baptist Church, New Brockton. No invitations will be sent, but all friends and relatives are invited.

The groom-to-be is the grandson of Mrs. Joe Z. Jones and the late Mr. Jones of Goodman and Mrs. O. H. Layton and the late Mr. Layton also of Goodman. He is a graduate of Enterprise high school and is presently employed with Hayes Aircraft Corp at Fort Rucker, Alabama.

The wedding will take place August 6 at 4 p.m. in the First Baptist Church, New Brockton. No invitations will be sent, but all friends and relatives are invited.

Miss Jean Watson, daughter of Mr. and Mrs. John B. Watson of New Brockton, will be married to Marcus Sowell, son of Mrs. R. J. Sowell and the

late Mr. Sowell of Waycross, Ga., on August 20 at 3:30 p.m. in Bethany Baptist Church.

The bride-elect, a graduate of New Brockton high school, is employed in Enterprise, Mr. Sowell, a graduate of Waycross senior high school will be graduated from the school of Business Administration of American Tech of Chicago Ill., in July. He is employed in Waycross.

Steak Supper Given For Visitors From Arizona

Mr. and Mrs. Charles Burdick Jr. entertained at their home Wednesday, last week, with a steak supper, Mr. and Mrs. Burdick and children had as their guests Sgt. Jerry T. Jones and daughter, Joey, from Phoenix, Arizona. Sgt. Jones is Mrs. Burdick's brother. Accompanying Sgt. Jones on the trip from Arizona was a friend, Douglas Fenchum, also Mr. and Mrs. Burdick's guest.

Other guests were Mrs. Burdick's mother, Mrs. T. B. Jones of Opp, Mr. and Mrs. Clarence Waldrop and daughters, Gladys and Martina, Sgt. Otis Elwyn Jones and his wife, Lois.

Basin Home Club Entertained By Mrs. Meek

The Basin H.D.C. met at the home of Mrs. F. E. Meek for their June meeting with 11 members present and two visitors.

The meeting was called to order by the president, Mrs. James Farris. The song leader, Mrs. Mary McCall, gave the history of the song and led the group in singing.

Mrs. C. J. Meek gave the devotion.

The roll was called and minutes of the previous meeting was read and approved. Club members discussed having an other family night to be held at Mrs. James Farris.

The hostess served delicious refreshments.

Hostesses Entertain With Coffee For Bride-Elect

Mrs. J. M. Kimmey and Mrs. Stanley Clark entertained with a coffee Thursday, June 15, at the home of Mrs. Kimmey, complimenting Miss Susan Murphree.

The reception rooms were adorned with flower arrangements and bridal suggestions. Party refreshments with coffee were served. Miss Murphree was given a piece of silver by the hostesses. Sixteen guests were included in this delightful party.

PERSONALS

Capt. and Mrs. Paul L. English and children, Paul Jr., Jeffie and Elaine, have returned to Pittsburgh, Pa., after having spent three weeks with his mother and grandmother, Aileen Paul English and Mrs. W. B. Paul.

March of Dimes Expands Aid for Victims Of Crippling Birth Defects, Arthritis, Polio

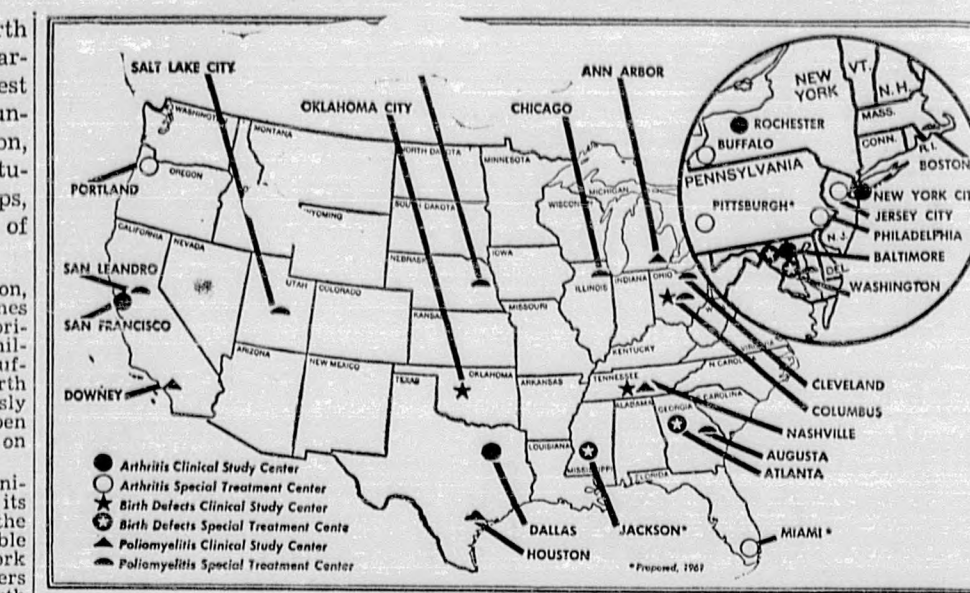

Victims of crippling birth defects and rheumatoid arthritis, among the largest groups of the medically underprivileged in the nation, can soon look for help virtually at their doorsteps, thanks to the March of Dimes.

The National Foundation, supported by March of Dimes funds, has broadened its efforts to give direct aid to children under the age of 19 suffering from all types of birth defects. Aid was previously limited to children with open spine, open skull and water on the brain.

The voluntary health organization has also authorized its 3,100 chapters throughout the United States to use available funds to establish a network of Special Treatment Centers and Evaluation Clinics for birth defects and arthritis. Assistance to polio victims will be continued.

The National Foundation's experience with polio treatment and rehabilitation centers as well as pilot projects conducted in birth defects and arthritis has proved the value of bringing together teams of experts to deal with medical, economic and social problems of chronically disabled patients and their families.

Under the newly expanded program, National Foundation chapters will finance Special

March of Dimes-supported Special Treatment and Clinical Study Centers offering comprehensive care to victims of birth defects, arthritis and polio are expanding throughout U. S.

Treatment Centers at major hospitals in several large cities. These will operate full time and provide treatment for both in- and outpatients through teams of specialists in the medical and allied professions. On the national level, March of Dimes funds will continue to support and expand Clinical Study Centers which provide exemplary total care for birth defects, arthritis and polio victims and also conduct research in these diseases. As the number of centers of

all three types increases, there will be an increase in knowledge and improvement of treatment facilities and techniques to bring closer to reality the control of chronic crippling diseases. In conducting its vastly expanded patient aid program, the National Foundation will emphasize aid in areas of unmet needs. It will not duplicate assistance already being provided by other agencies.

Mr. Bryan Folsom of Montgomery visited his mother, Mrs.

VICTORIA SOCIETY AND CHURCH NEWS

COFFEE NEWS & CHAT

by Sara E. Hutchinson, Home Demonstration Agent
and Jack Wakefield, Asst. Home Demonstration Agent

GARDEN DUST—The Auburn University Experiment Station and Extension Service have prepared and approved a simple dust formula to help control home garden pests. The dust can be purchased at most farm supply stores. This dust contains 1 percent rotenone to kill insects and 5 percent zincb to control diseases. This mixture is safe to use on all kinds of vegetables. Apply it thoroughly once every week to 10 days to control these insects and diseases.

This Auburn approved garden dust does not control blister beetles, green stink bugs, leaf hopper and corn earworm. If these insects are present use 20 percent tolvaphene or 10 percent DDT. Be sure you do not use DDT or tolvaphene on edible parts of plants.

Five percent malathion dust is excellent for controlling bean beetles, aphids and red spiders.

The importance of regular dusting cannot be over stressed.

4-H FOUNDATION—You have probably seen on television, or heard on the radio, and read in the newspapers about the Alabama 4-H Foundation.

Plans are being made by our rural co-chairman, Mrs. Robert Wise to get the rural soli-

\$30,000. The state goal is 3 million dollars. With this money, the following programs will be accomplished: more and better educational materials will be provided; five 4-H camps will be built and maintained in the State; junior awards will be provided for 14 years of age and under; provide money for district and state wide events; support training programs for junior and adult leaders; provide educational scholarship trips and other 4-H awards.

The 4-H club has never had membership dues and none are planned. However, since the 4-H Foundation is proposing to do something big for all Alabama young people, wouldn't you like to do your share by helping? When you are called on, make your contribution or pledge generously. This money is to be collected over a 5-year period.

DAIRY PRINCESS CONTEST—I will be in Montgomery Thursday, June 29, along with Joanna Sims, who is Coffee County Dairy Princess, and her parents, Mr. and Mrs. Comer Sims. We are looking forward to being guest of the American Dairy contest. We all wish Joanna the best of luck.

citation underway in Coffee county. Our county goal is

put on the big show.

Carol Marler, president of the club, reminds the public that there is plenty of parking space and bleachers out at the track, and promises plenty of excitement at every race for both young and old.

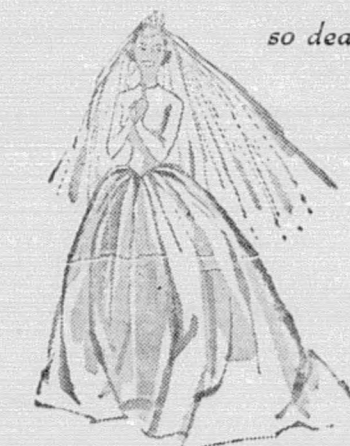

Sparkman and Hill Would Curb Riders

In the wake of so-called Freedom Rider activity in the South, Senator John Sparkman and Senator Lister Hill have both introduced bills in the Senate to curb such activity.

Both Senators have introduced bills to make it a crime to travel in interstate commerce for the purpose of inciting a riot.
